Prepared. For Life.®

New Scouting App

For parents and Scouts to track the Scouting Experience from Lion to Eagle Scout.

A Scoutbook.com log in is required and your account must either be connected to a Scout as a parent or be a youth account.

Available for Android and Apple

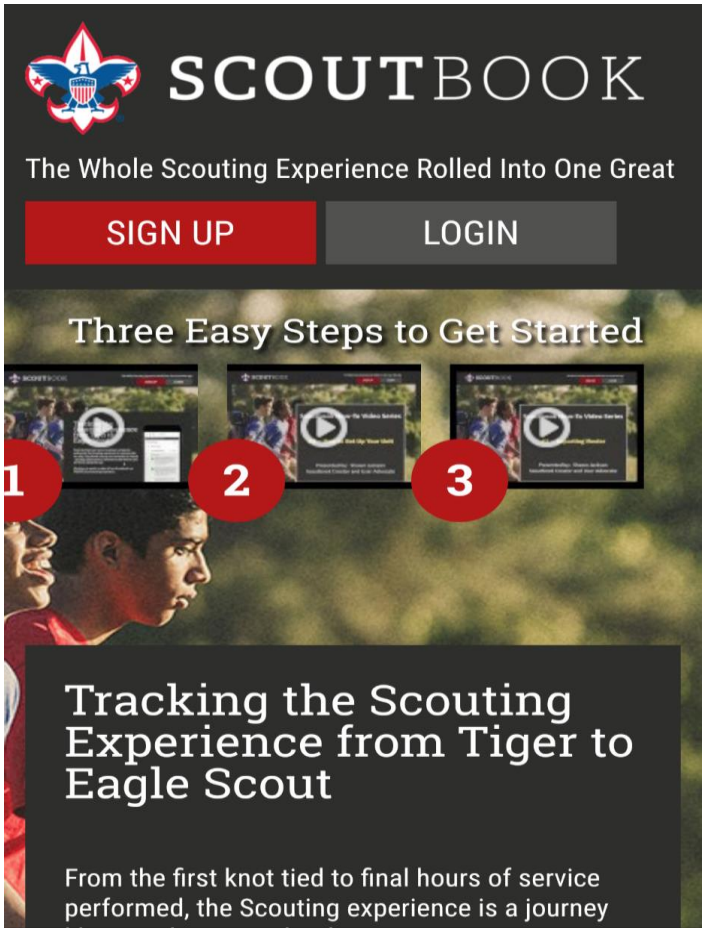
Scoutbook Lite: What to expect

- SL is for units that don't use Scoutbook.
- SL will initially replace the legacy Internet Advancement tool.
- Eventually other Legacy tools will be added Service Hour Reporting, Internet Rechartering (for unit leaders), camping logs, and more.
- You can think of SL as the ‘no frills – data entry’ version and SB as the ‘full featured’ unit management application; both writing to the same database.

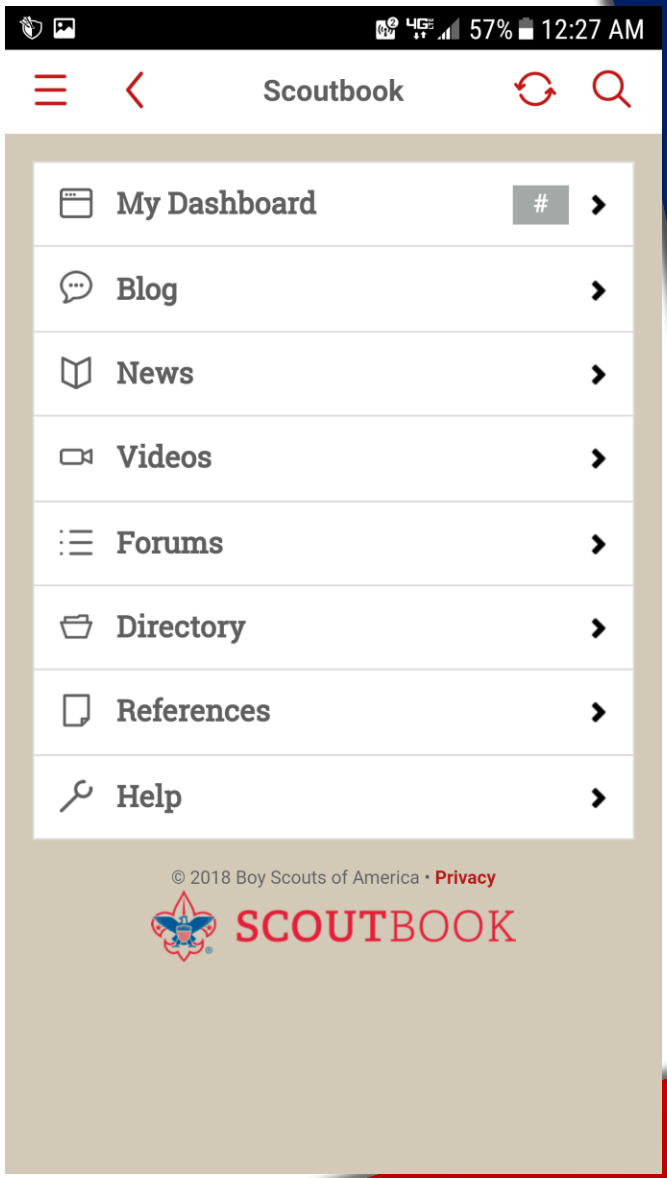


Login Page

- Find out who in your organization is the administrator
- They will need to issue an invitation to your email
- Once you receive the invitation, you will be able to register

Home screen

- Menu of the various options on the site
- Videos – helpful tutorials for the site
- Forums – questions and discussions about the site
- Directory – Contact information for Official BSA Websites BSA Councils
- References – a quick general glimpse at scouting
- Help - FAQ, Training Videos, legalities of the site; contact information for the site



My Dashboard

- Administration – your personal permissions and Information available to you depending on your position
  - e.g. Admin, leader, parent, scout, etc.
- Messages – send and receive messages to all leaders, parents and scouts connected to the unit
